AUTOMATIC COLOR DISPENSER

i202* | *i252

AUTOMATIC COLOR DISPENSER

i202 | i252

THE PERFECT COMPACT-YET-ROBUST DISPENSER TO MATCH ALL YOUR COLOUR NEEDS

The i202 / i252 have been designed to save space in small and medium retail shops, and yet deliver the same output as any other Fully Automatic Dispenser in the market. It is the only simultaneous machine available in this segment which offers the twin features of small footprint with low maintenance.

When combined with ITALTINTO ProScan software, the i202 / i252 are ideal Tinting Machines to cater to growing Tinting requirements.
