COLOR MIXER

im1000

THE PERFECT COMPACT-YET-ROBUST VORTEX MIXER TO MATCH ALL YOUR COLOUR NEEDS

The im1000 has been designed to make mixing easier for lesser volumes. This unit features ITALTINTO's robust design with proven performance in mixing all types of liquids. The stackable im1000 works with round and square one gallon containers. Featuring an increased dispersion rate and simple drop in loading. This is a versatile solution for DIY & hardware dealers.
